RE: *Pennsylvania National Mutual Casualty Ins. Co. v. Lexington Ins. Co.* (10 CIV 03344)
Our File No.: 02331-007523

Dear Judge Smith:

The parties to the above-referenced action respectfully submit this joint request for a one-month adjournment of the deadline for all fact discovery and depositions, currently set for May 31, 2011, to June 30, 2011. We do not anticipate that this will affect any other deadlines as set forth in the parties' Joint Discovery Plan. The parties have submitted two previous requests for adjournments of the dates identified in their Joint Discovery Plan, which were both granted by Judge Karas.

This request is a result of the parties' inability to find a mutually convenient date for the deposition of Defendant before May 31, 2011. The deposition of Plaintiff is scheduled to occur on May 25, 2011. However, the earliest date that Defendant is available to travel to New York for deposition is on June 2 or 3, 2011, which is when the parties expect to complete all fact discovery and depositions. In an abundance of caution, the parties respectfully request an adjournment of the deadline for all fact discovery and depositions to June 30, 2011.

Respectfully submitted,

Julie Kim
